Rule making related to signs

The Department of Transportation hereby amends Chapter 131, “Signing on Primary Highways,” Iowa Administrative Code.

Legal Authority for Rule Making

This rule making is adopted under the authority provided in Iowa Code sections 307.12 and 314.31.

State or Federal Law Implemented

This rule making implements, in whole or in part, Iowa Code sections 314.31 and 321.252.

Purpose and Summary

This rule making updates Chapter 131 to comply with 2020 Iowa Acts, Senate File 388, sections 1 and 2; corrects the name of the Traffic and Safety Bureau; and makes editorial changes to the introductory paragraphs of several rules for consistency within the chapter.

2020 Iowa Acts, Senate File 388, adds section 314.31 to the Iowa Code. This section requires the Department to adopt rules to define the procedures and requirements for private entities to purchase and pay for the installation of signs designating the Iowa Medal of Honor Highway. This highway is defined as the segment of United States Highway 20, as designated as of June 17, 2020, which crosses Iowa from Sioux City to Dubuque.

Public Comment and Changes to Rule Making

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on December 2, 2020, as **ARC 5290C**. The Department received one response asking for clarification of the term “applicant.” The use of “applicant” in the rule is not intended to be associated with any organization, agency or person. The intent of the rule is that anyone can apply to purchase a sign for installation on the Iowa Medal of Honor Highway. No changes from the Notice have been made.

Adoption of Rule Making

This rule making was adopted by the Department on January 13, 2021.

Fiscal Impact

This rule making has no fiscal impact to the State of Iowa. The number of signs that will be installed on the Iowa Medal of Honor Highway is limited, and the cost and installation of the signs will be paid for by private entities.

Jobs Impact

After analysis and review of this rule making, no impact on jobs has been found.

Waivers

Any person who believes that the person’s circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

Review by Administrative Rules Review Committee

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).

761—131.11(314) Signing for Iowa medal of honor highway. This rule establishes the procedures and requirements for private entities to purchase and pay for the installation of signs designating the Iowa medal of honor highway.

131.11(1) Definition. “*Iowa medal of honor highway*” means the segment of the highway known as United States Highway 20, as designated as of June 17, 2020, which crosses this state from Sioux City to Dubuque.

131.11(2) Requirements.

a. The number of signs within the highway right-of-way shall be limited to one sign at each end of the Iowa medal of honor highway for traffic entering the state and one sign at each entry point of the corporate limits of each city through which the Iowa medal of honor highway passes.

b. Each sign shall match the design approved and provided by the department, and the sign materials shall comply with departmental standard specifications as they exist at the time of fabrication. The departmental standard specifications can be found through the department’s electronic reference library available on the department’s website at www.iowadot.gov.

c. Once signs are installed at one of the approved locations, no additional requests will be accepted for that location. When signs have been installed at all locations identified in paragraph 131.11(2) “a,” no further requests will be accepted.

d. The applicant may purchase a sign from the department’s sign shop or any other private sign shop. If an applicant chooses to obtain a sign from a private sign shop, the department will furnish the sign design and approve the construction prior to purchase. The department will also inspect the sign as stated in subrule 131.11(5).

e. Signs designating the Iowa medal of honor highway shall be furnished and paid for by the applicants, including any replacements needed due to sign deterioration or damage. The applicant is responsible for providing the traffic and safety bureau with the applicant’s current contact information so the applicant can be contacted when a replacement sign is needed. Failure to comply with this requirement may result in removal of all signs the applicant purchased. This would allow a new private entity to sponsor the signing.

f. The applicant shall be responsible for the cost to install the sign, including the posts and hardware. Payment to the department must be received prior to the installation of the sign.

g. The department shall install the sign.

131.11(3) Procedures.

a. A written request to purchase or install a sign shall be submitted to the traffic and safety bureau.

b. The request shall contain the following:

(1) The applicant’s name and contact information.

(2) A description of the location where the sign is to be installed.

(3) If the sign will be purchased from the department or a private sign shop.

131.11(4) Approval. If the request complies with this rule, the traffic and safety bureau shall respond to the applicant with approval of the proposed location or modified location and an estimate of the costs for the sign and installation. Following inspection of the sign in compliance with subrule 131.11(5) and receipt of payment, the department shall install the sign.

131.11(5) Inspection. If a sign is not purchased from the department sign shop, the applicant shall deliver the sign to the department sign shop for inspection. Upon receipt of the sign, the department shall inspect the sign for compliance with the approved sign design and departmental specifications and notify the applicant.

ITEM 11. Amend rule 761—131.15(321) as follows:
